IFIM delivers superior quality learning solutions with the help of successful academia-corporate partnerships.

Sectorial Overview

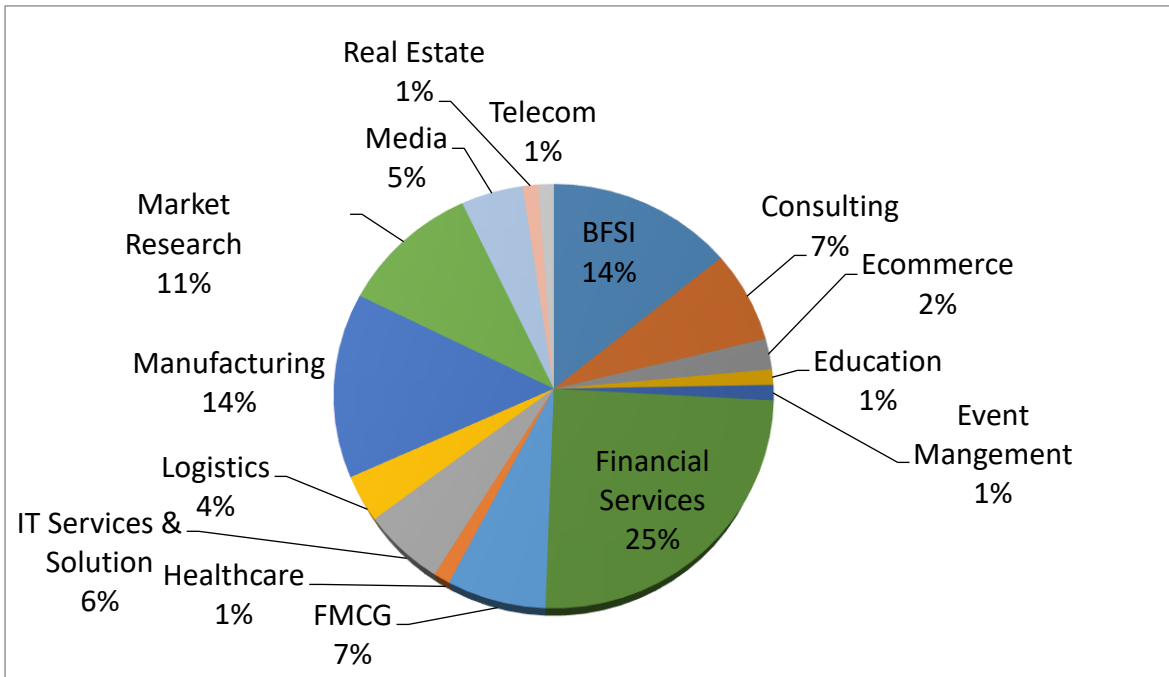

Companies from multiple sectors across different geographic locations hired candidates for a wide range of functions. IFIM has a consistent record of excellent placements, and the current placement cycle witnessed a perceptible uptrend. The overall placement cycle of batch 2015-17 saw greater number of opportunities generated per student across different specializations spread across profiles, salaries and geographies. 30.6% of the total job offers came from the Financial Services sector followed by 14.52% in consulting, 20.16 % in IT & ITES, 6.45% in FMCG and the remaining from Media, Logistics, Ecommerce, HR Consulting, Real Estate, Hospitality etc. The sustained faith and quality of students nurtured by IFIM, made some of the past recruiters bank on us along with new companies to participate in the placement drive.

New companies like Mindtree, 3M, Infiniti Research, Joulestowatts, FactSet, BNY, Amazon, NFCL, OYO rooms etc. have also listed with IFIM for placements and hired few students.

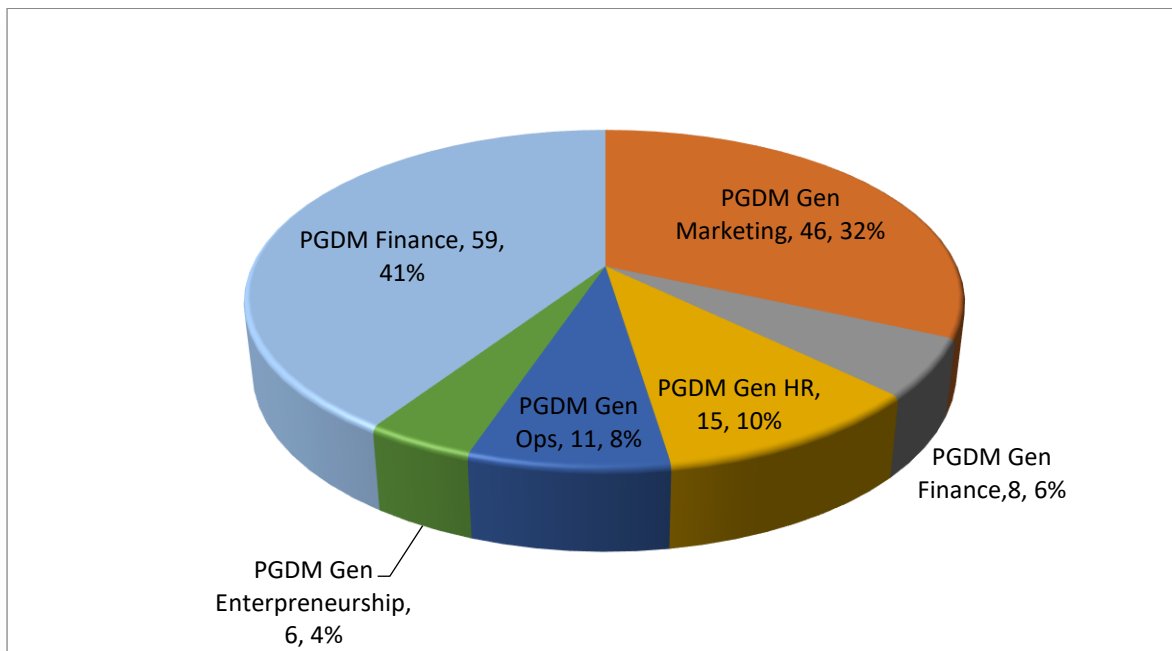

Diversity of profiles offered to the students gave them a good choice in terms of industry and the role. These comprised of leadership roles in the form of Senior Executive-Corporate Sales, Business Analyst, Customer Relationship Manager, Market Research Analyst, Associate Consultant, Manager - Operations etc.

IFIM's award winning Industry Internship Program (IIP) is a unique program wherein over 30% of students received pre-placement job offers (PPO).
