STUDENT REFERRALS

At IFIM Business School, we recognise the value of student potential in consciously building and shaping the mix and diversity in the class composition-for the mutual good of the student, creation & enhancement of learning opportunities and the larger good of the Institution. In sync with our admission philosophy, applicants are well advised and encouraged to refer their relatives, friends and college mates to IFIM Business School. An applicant can refer up to three prospective students. A form - captioned 'Referral Form' is given below for this purpose which may be filled and sent along with the Application Form. Thus, on one hand this uniquely places an applicant vis-a-vis his referral group and on the other, it opens up new vistas of opportunities to referred candidates to fulfil their personal, professional and career aspirations.

Please note that 'student referrals' will not qualify for any weightage and / or concession. Each case will be dealt with on merits.
